

Each of the various fiber options will impart its own particular characteristics to the knitted fabric. When choosing a fiber, knitters should be aware that, in some cases and depending upon the design, the characteristics of a particular fiber will dramatically change the look of the fabric and will significantly affect the appearance, hand and drape of the garment.

Silk/Mohair	fingering/light sport	varies with effect desired	varies with effect desired	\$6.25

\* Stockinette gauge. To enhance a textured stitch pattern, choose one weight heavier, especially when working with the silk and the alpaca.

\*\* Couture Yarns are available in 100 yd increments with a 100 yd minimum.

Shade cards for these yarns are available for \$20/set.
